## Sharing & Inspiring Since 1973

The Coral Springs Artist Guild Inc. is a non-profit, tax-exempt organization whose purpose is to foster, encourage, and facilitate interest and appreciation in the fine arts.

Established in 1973, the guild actively draws members from Broward and the surrounding counties. We stimulate, inspire, and broaden community awareness with sponsored exhibits, juried competitions, and art events throughout the year.

While most of our members are talented and creative participants, there are many who simply appreciate art and artists, are inspired by attending and volunteering at our shows and event, and enjoy meeting and buying direct from the local artists.

For more than two decades The Coral Springs Artist Guild has proudly sponsored a juried art competition in combination with our annual scholar awards program. Every contributing senior can participate. A winner from each of the five area high schools is chosen. Prizes include a monetary scholar award, an years honorary membership to the guild, and a certificate of achievement.

Membership includes opportunities to learn, share, and motivate as well as reduced entry fees for sponsored exhibits and juried shows, prospectus and guideline, full-color monthly newsletters, and inclusion in our virtual gallery
